Cobb County School District is excited to provide every student in the district with **Microsoft Office 365 FREE of charge**. Office 365 is a collection of services that allows students to collaborate, edit, share, and store their schoolwork.

Your child will now have access to the latest version of Word for writing; Excel for spreadsheets; PowerPoint for presentations; OneNote for organization and note taking; and much more!

Please click on the option link below to choose your child's access to Microsoft Office 365. Selecting an option will also avoid follow up emails requesting you make your choice.

Please read the following Terms and Conditions before you select an option:

- Cobb County School District's Administrative Board Policy [IEBG-R](#) & [IEBGE](#)
- Parental Consent Addendum
- Microsoft Terms of Use

Select an option for student name:		
Option 1 Accept Terms & Conditions (WILL receive OneDrive and Office 365 Collaboration tools)	Option 2 Accept Terms & Conditions (WILL NOT receive OneDrive and Office 365 Collaboration tools but can still download Office 365 ProPlus software ONLY)	Option 3 Decline Terms and Conditions (Your child will not receive Office 365 Collaboration Tools, OneDrive or the Office 365 ProPlus software)

You will receive a confirmation email with your child's username
